

The Corpus Christi Chamber of Commerce is accepting applications for the position of President and CEO.

This position will work with the Board of Directors to achieve its goals in membership, sponsorships, business programs, event management, and advocacy of an overall pro-business climate in the Coastal Bend. The successful candidate will be a skilled motivator, communicator and listener with the demonstrated interpersonal skills required to build meaningful working relationships with business and community leaders, government officials, the Board of Directors, staff, and our Chamber members. The President/CEO will be a results-driven, execution focused leader with the ability to think strategically, develop goals with action steps, track progress, and effectively manage the Chamber staff.

Educational requirements include completion of a Bachelor's degree in business, accounting or an equivalent discipline with five (5) years of relevant management experience in a non-profit organization; or other commensurate experience.

We offer a competitive salary and benefits package.

Applications may be emailed by 5:00 p.m., July 11, 2008, to dlo@3ddresults.com . Mailing address is: Chamber CEO Search, c/o Three Dimensional Development, P.O. Box 6328, Corpus Christi, TX 78466. Include a cover letter describing your specific qualifications for this position, a resume outlining your past work experience and three references with phone numbers and email addresses.
